

We are in the process of updating our manuals to PDF. Till then you may experience issues in opening those that are in Microsoft Word. Based on the browser you are using (Chrome or Firefox), view following steps to access these documents.

**Chrome:**

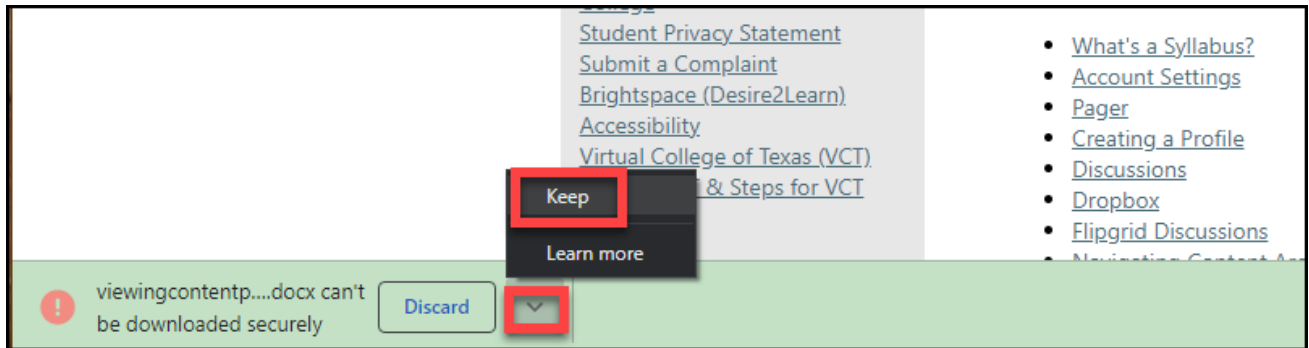

- 1) Right click the link, and choose Save Link As.

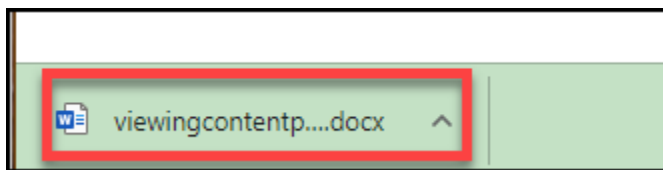

- 2) Don't change the file location, just click Save.

3) In the bottom left corner, click the arrow up and click Keep.

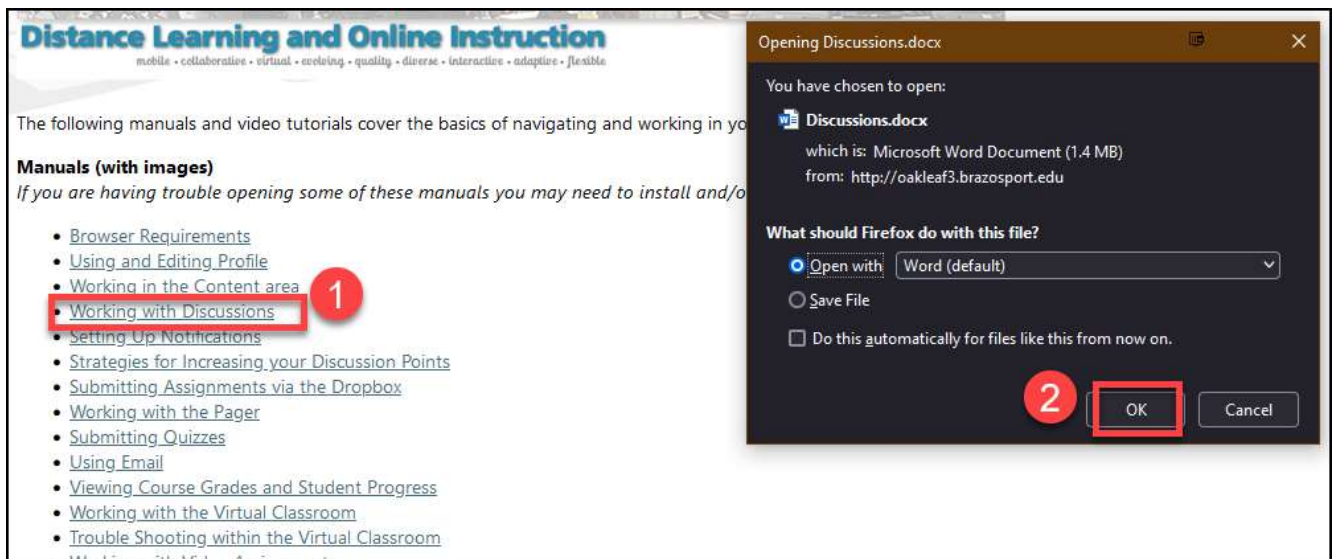

4) In the same area, click the document and it will now open in Word.

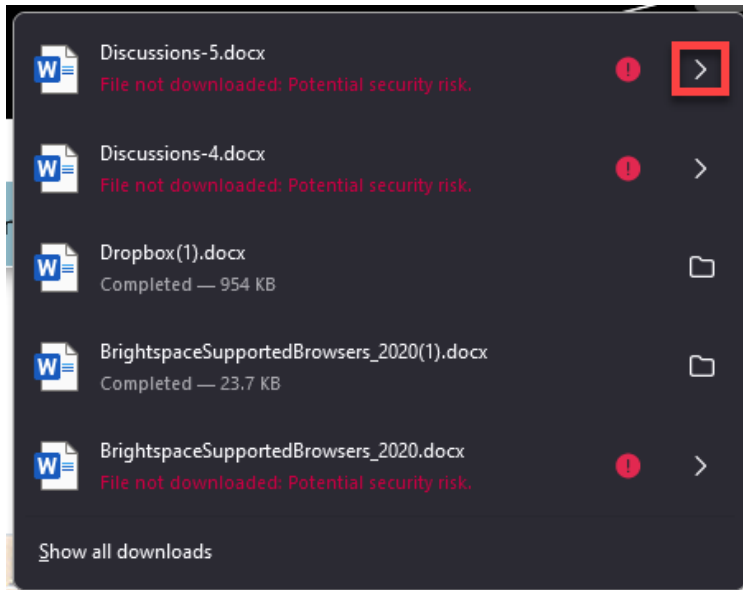

## Firefox:

1) Click the link to open. (1) Click OK (2).

2) Click the arrow to the right.

3) Click Open, and it will now open in Word.
