

Creating Question Pools for Quizzes

You have the ability to create random question pools for quizzes. When creating question pools it will randomly pull from the specified number of questions you select from the question library.

1. When creating a new quiz, click **the Add/Edit Quizzes** button.

2. Click on the **Add** button (1) and select **Question Pool** (2).

3. Click the **Browse Question Library** button.

Question Pool Title *

Number of Questions to Select * from 0

Points per Question *

Browse Question Library

Save Cancel

4. To import all the questions from a folder you created in your question library, **select the section from the list (1)**. Click **Import** when done (2).

NOTE: To import specific questions from a section, expand it (click on ) and select the questions you want to import.

<input checked="" type="checkbox"/>	Exam 7	Section
<input type="checkbox"/>	ui bgyi	True or False
<input type="checkbox"/>	The sky is what color? Also in: Orientation to Course Tools Quiz, Chp 1	Multiple Choice

Import Cancel

5. Enter a **title for the question pool (1)**, the **number of questions from the pool** to randomly give each student (2), enter the **number of points each question is worth (3)**. Click **Save (4)**.

The screenshot shows a form for creating a random question quiz. It includes the following elements:

- 1**: A text input field for "Question Pool Title *" containing "Random test Questions".
- 2**: A numeric input field for "Number of Questions to Select *" with the value "15" and "from 45" next to it.
- 3**: A numeric input field for "Points per Question *" with the value "1".
- 4**: A blue "Save" button at the bottom left.

Other visible elements include a "Browse Question Library" button, a "Desire2Learn 001" header, and a "Cancel" button.

6. The random question pool will be created. You can create additional question pools for the quiz if necessary. When finished creating the question pool(s) you can finish setting up the quiz (for instructions on creating a quiz view the *Creating Quizzes manual*).

The screenshot shows the "test" management interface. At the top, there are "New" and "Import" buttons. Below them are action icons for "Move", "Delete", "Order", "Edit Values", and "Publish to LOR". A table lists the question pools:

<input type="checkbox"/>	Name (click question name to edit)
<input type="checkbox"/>	Random test Questions ▼

The "Random test Questions" entry is highlighted with a red box. At the bottom, it says "Total: 1 Question Pool".
