The Pager is a great tool that allows you to get in touch with anyone else who uses D2L. The Pager works almost like an instant messenger where you can send another user a page and they can respond back to you using the Pager tool.

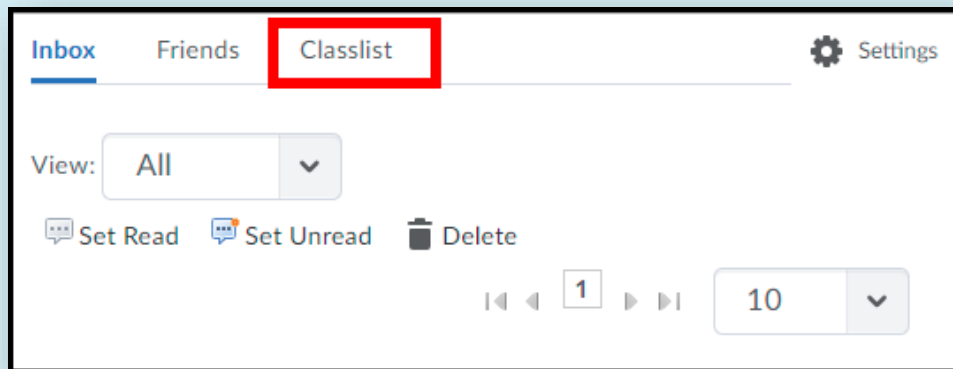

1. Login to D2L (<https://online.brazosport.edu>).

2. Click the  **Message alerts icon** above the navbar on right-hand side of the page (1) and then select **Pager** (2).

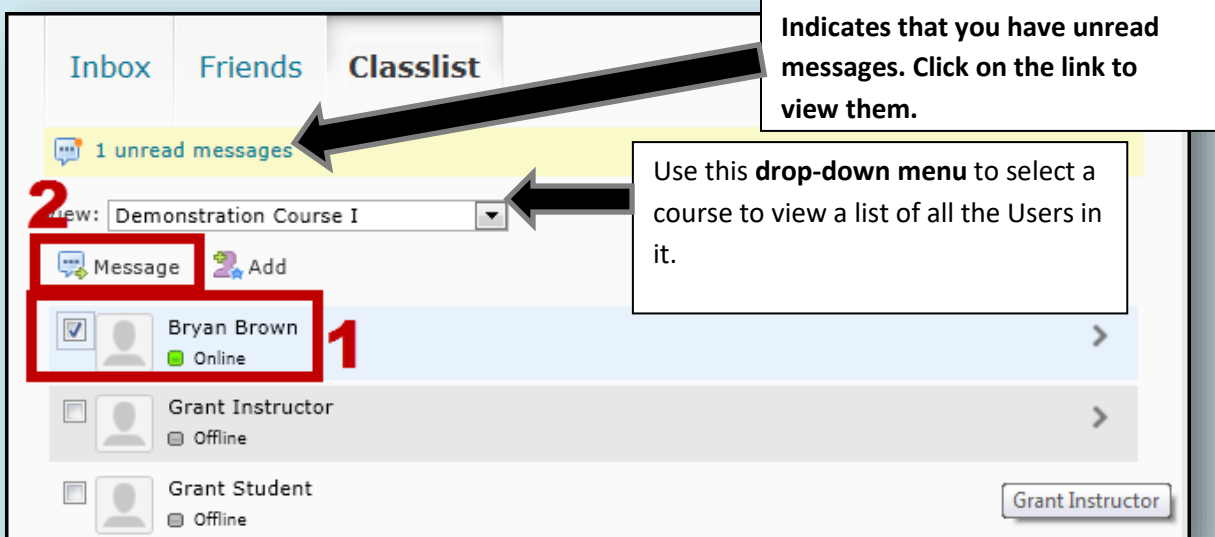

3. Click on the **Classlist** tab.

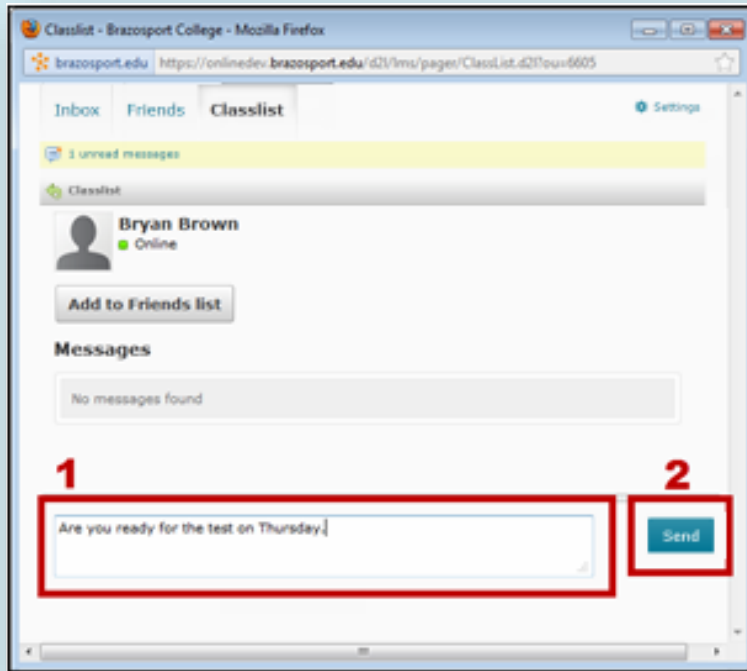

4. Select the **User(s)** you want to send a message to (1) and click on the **Message icon** (2).

5. Enter in your **message** (1) and click the **Send** button (2).

6. All pager messages between you and selected user(s) will be displayed here.
