

Working with Discussions

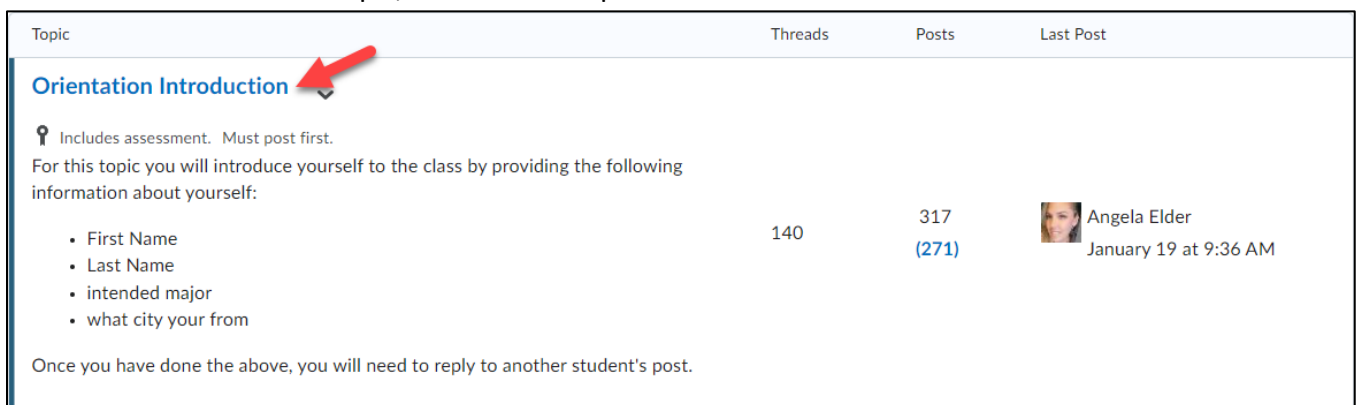

The Discussions tool is a collaboration area where you post, read, and reply to messages on different topics, share thoughts, ask questions or work with others on assignments.

Reading Messages

1. Click on Communication on the navbar and select Discussions.

2. To enter a discussion topic, click on the Topic's title.

3. Use the Discussion navmenu, at the top of the first posted discussion thread, to filter and sort the way the discussion threads are viewed for the discussion topic.

Once you have done the above, you will need to reply to another student's post.
